Nobles,
 Summer is officially over. Temperatures are cooling, leaves are starting to turn, the Shrine Circus, all are signs that autumn has arrived. Looks like a good time to have a party to celebrate. This year's theme will be a Fall Festival with the doors opening at 5:00 p.m. on October 23rd. We would like for everyone to bring their children and grandchildren to help us celebrate. We will have games and activities for the children. A dinner will be served around 6:00 p.m. that will appeal to the children and the band will start up around 7:00 p.m. or so. Babysitting will be available during the dance.

Last month we enjoyed two successful fundraising events. Our 2nd annual Bass Tournament, under the direction of our committee chairman Noble Jeff Head along with Lady Kim, produced a sizable donation for Shriners Hospitals for Children. The weather was great and even though we were competing with at least three other bass tournaments on the lake that day, we had good participation from our fishermen and our Nobility. Our Annual Car Show rebounded from a rain out last year to a successful event this year. The weather this year could not have been better. We had some real top notch quality vehicles on display and I think everyone that attended had a great time. Thanks to committee chairman Johnny Dudley, PP, Lady Di and all who helped make this event a successful fundraiser for our Temple.

Everyone is doing a great job on selling plaques to help reduce the deficit in our Paper Sale collections. If all of our members would each sell just one more, we would surpass last year and come close to reaching our goal. Encourage the businesses you patronize to donate to Shriners Hospitals for Children while donating to a charity is still tax deductible. The Temple office has all of the latest hospital brochures available for you to use to explain the great work that our hospitals perform to your prospective donors.

Our Fall Ceremonial will be on November 20th. If you know of a Master Mason who you think would enjoy being a Shriner or someone who might be interested in Masonry, tell them about the website www.BeAShrinerNow.com. It is a wonderful tool that can answer many questions for a prospective candidate and possibly evoke the one you want to hear.

The way you live your life is a daily advertisement for Masonry.

Yours in the faith,
David W. Wantland, Potentate

CHIEF RABBAN

Brothers,
The Shrine Circus is always a family affair for kids of all ages. Our circus director David Smith P.P has done an outstanding job taking care of Al Menah's business and making sure our I's are dotted and T's are crossed. Ringmaster jackets are still for sale call me or the Al

Menah's office. We take cash, checks or credit cards. Bill Burgess has set up the Ringmaster's breakfast on October 16, 2010 at Third Avenue Kitchen, 1138 Third Ave North from 6 a.m. til 9 a.m. Come join us. You can upgrade your circus tickets from the ladies in the office at Al Menah. Ringmaster members meet at the center ring on the main floor for pictures at 9:30 a.m. Our trip presentation to Mexican Rivera on April 3rd - April 10th will be October 21 at 6:00 p.m. Come hungry and join us for good food, great fellowship and an outstanding price for an awesome trip. Traveling with family and friends make a trip fun in itself.

**Yours in the Faith,
Melvin Meadows**

ASSISTANT RABBAN

Hopefully, fall will be here soon. I think most of us are a little tired of hot weather and welcome the cooler temperatures. Thank you to those who did not let the weather stop them from participating in Shrine functions and getting out there and promoting Al Menah Shrine.

The parade schedule will start getting very busy. We need to participate in as many of these are we can. Communities depend on us to help make the parades successful. We depend on the communities to help support the paper sale which helps keep the hospitals functioning.

We still have Al Menah Shrine functions which is a good time to get together and have a good time. Please continue to support these functions. As has been said so many times before, "Al Menah Shrine is what you make it."

CLOWNS

As the year winds down, it seems we have more to do and less time to do it. Our parade and circus season is upon us, and by the time you read this we will have already completed one circus, and maybe two. The fabulous clowns have been invited to Chattanooga to help in their circus, truly a great honor which we have now 16 committed to go.

I have one correction to add from the last writing. Danny "Peaches/Slapstick" Gentry took first place in Character at the Mid-winter and Convention, also he took the all popular Children's Choice. Hats off to Dan.

We also have the pleasure of announcing the return of an old friend and clown, Kenny Wiley, who was elected by a majority of votes, 100% at the last meeting. Welcome back, now.....get to work!

We would like everyone to keep Robert "Korky" Krakus, Kenny "Zippy" Sipsy, and James "Buc" Buchanan in your prayers

And finally, has everyone seen the new and improved Clown Adventure Bus? This icon of clownish ingenuity has been repainted, and refurbished by a group of leprechauns led, I am told by "Peaches". The only comment the potentate had to make was "the official shrine colors are yellow and GREEN". But we are clowns, and are by habit a

little bit eccentric. However, the bus is up running SLAPPY and we invite clowns who have mobility trouble to take advantage.

DIRECTOR'S STAFF

Hello Everyone,
Well the weather has finally cooled off and it seems like you can breathe a lot better. I hope everyone can get out and enjoy it. We had a good time at the Loveless café and the food was great. Thanks to the Directorettes for taking husbands and the Divan and their wives. Everyone seemed to really enjoy it. The Circus is coming up in October, so get ready to work. This year we will have a Saturday morning show. I think that is the most important one. The kids all get to come and that is what it is all about. The fellowship steak dinner was fantastic. We had sixty two people that came and everything was great. Thanks Buddy Helms and your crew from Beech Lodge. You all did a great job!!! Ben can really cook streaks. The Directorettes Thanksgiving dinner and auction will be coming up on Sunday afternoon the 21st of November. They had reserved it for the 20th on Saturday night but apparently someone else wanted it. It was good to see Carl Knight and Allen Jones at the last meeting. I talked to Johnny Beasley today and he is not doing as good as he wants to. But I guess he is just getting old like the rest of us!! Mike Villines has something going on with his knee, but hasn't gone to the doctor yet. It is really good to have Mar-

vin and Rose Ryan at home for all the events and holidays. Jeff Head had surgery on his hand and is doing okey. Richard Emmett has been a bit under the weather, we need to remember him in our prayers. I talked with William Dufty's wife and she said he is doing pretty good, but is just contrary. Rick Rider has had some eye surgery's, so don't park next to him. Gene has had surgery but is doing fine. Joe Peach lost his brother, so remember him in prayer. Rebecca Peach has been feeling really bad but the Doctor has not found what is wrong yet. John and Joan Ervin are still having problems, so remember them. Don't forget to remember our troops and their families. They our working hard to keep us free to do everything we want to do.

UNTIL NEXT TIME!!!!
Don Young

MOTOR CORPS

Another change of season, as grass cutting has slowed down and now raking leaves. The Motor Corps has completed their competition with success and no mishaps on injuries. Next we will be having parades and will be visiting the surrounding communities as before. Let's get our machines ready and try to attend as many as we can. The Circus will be in October 14-17 and on the Saturday morning we will have the Children's Matinee and we will supply the treats as we had done before to all the children that the Motor Corps brings in. A few months ago when we tried to have our paper sale, and it rained so

much it really hurt our paper sale and we are planning on having another opportunity to sell papers. Now that it is cooler we are planning on other sale dates on road blocks on Friday, October 22, Saturday, October 23, and Sunday, October 24. Let's all pitch in and help these three days.

May we keep in our prayers for our sick members and their families for speedy recovery, and for military to return home safe.

**Yours in the Faith,
Henry E. Tittle**

WMSON COUNTY

Williamson County Shrine Club Nobles, you did it! You have exceeded last years Paper Sales Total of \$13,000! The good news is we still have time left to get more Plaque Sales in! Don't stop now, the Shrine Hospitals and our Children still need more money.

What a great meeting we just had with radio talk show host, Phil Valentine as our Featured Speaker. He was very interesting to listen to and was funny as well. We had a full house at the meeting! We have other great speakers coming up so make plans to come out to the WCSC meetings on the third Thursday of the Month at Logan's Steakhouse in Cool Springs. We would love to have you with us.

We are excited about the Shrine Circus coming up and plan to take a bunch of children to the matinee on Saturday.

Remember to pray for our leaders, our law enforcement, our Doctors / Nurses at the Shrine Hospitals and our Military who are fighting for our way or life.

Shriners Hospitals for Children® — Cincinnati

Specialized Care

Saves Young Boy's Life

In April 2009, six-month-old Gavin Bennett came down with a low grade fever. The fever soon escalated. Gavin had contracted purpura fulminans, a rare blood and tissue disorder sometimes caused by infection in the bloodstream.

Gavin was rushed by ambulance to the nearest hospital in rural South Dakota. Doctors there told Gavin's mother, Echo, that her son would need more specialized care. They were not sure Gavin would even survive the trip to the next hospital. The doctor obviously did not know Gavin is one tough kid. Miraculously, he made it through those first few hours and was then quickly air-lifted to a major trauma facility in Sioux Falls.

The next few days were excruciating for Echo. "Gavin spent three days on life support," she recalled. "We had exhausted all of our options. I just couldn't imagine my world without him. But I knew we wouldn't give up."

A few more days passed, and when he became stable enough, Gavin and Echo made the trip to Children's Mercy Hospital in Kansas City (Missouri), where Echo received more devastating news. Because of the infection in Gavin's bloodstream, circulation to his extremities had been comprised. Doctors recommended amputations to his fingers and legs. But Echo was determined to explore other options.

"Medical professionals were telling me they didn't know what to do," said Echo. "I kept telling myself there has to be someone else who knows how to deal with this disease."

Once Gavin was stabilized in Kansas City, the surgeons came to Echo and told her that her son's case was one of the most extensive they had seen. The physicians were not sure of their ability to care for such a traumatic case, especially without performing amputations to Gavin's extremities. The medical team at Children's Mercy then started researching who would be best suited to help Gavin. Within an hour, the team came back to Echo and told her she would be leaving for Cincinnati. "I knew if Shriners Hospitals for Children® couldn't help my son, no one could," said Echo.

By the time the plane landed in Cincinnati, Echo wondered if she would ever stop crying. But once they arrived at the hospital, the expert and compassionate staff gave her plenty of guidance and support. "I knew Gavin was getting the best medical care and attention he needed. It made all the difference to me," said Echo.

During the eight weeks Gavin spent at Shriners Hospitals for Children® — Cincinnati, Gavin showed everyone just how tough he really is. Gavin walked away from the hospital without amputations or neurological damage. Today, he is an energetic two-year-old who loves to jump on trampolines, run around, and talk to everyone. "When this happened, I didn't know where my son was going or what our lives would be like," said Echo. "Without Shriners Hospitals for Children®, I know Gavin's outcome would not have been this successful."

Shriners Hospitals for Children® is recognized worldwide for its expertise in treating pediatric burns, but also specializes in many non-burn conditions like purpura fulminans.

Other non-burn conditions treated by the team in Cincinnati include:

- Severe scarring, resulting in contracture or interfering with mobility of the limbs
- Brachial plexus
- Congenital hairy nevus
- Port wine stain and hemangiomas
- Gynecomastia
- Congenital ear deformities
- Craniofacial anomalies
- Hand reconstruction
- Reconstructive surgeries related to traumatic injuries (accidents, dog bites)
- Complex wounds and acute skin tissue injuries/infection, such as necrotizing skin infections and necrotizing fasciitis, Stevens-Johnson syndrome, toxic epidermal necrolysis (TENS) purpura fulminans
- Cleft lip and palate
- Hydradenitis

To talk with a care coordinator about evaluation of a child with a non-burn condition, call Pam Kresser, R.N., or Jackie Lynch, R.N. at 513-872-6000.

Fall Party — *A Family Affair*

October 23, 2010

Since we were unable to have the family picnic this year because of the flood, we have decided to make the Fall Party a family affair. We are planning a Fall Festival for October 23rd with games and events for the kids, a dinner that will appeal to the children and babysitting will be available while the band plays for the adults.

Doors will open at 5:00 p.m. with dinner being served between 6:00 and 6:30 and the band will crank up between 7:00 and 7:30. Units and clubs are encouraged to set up game areas for the children to enjoy. If you need an idea for a game, contact the office. We have a list of game ideas available and we ask that you contact the office and let them know what your game is going to be so we do not duplicate the games.

Come help celebrate the cool weather, fall colors and the fun times we had during the summer with your family and friends.
